1xMTT900

SORT WET  **90** $\frac{\text{kg}}{\text{h}}$

SORT DRY  **45** $\frac{\text{kg}}{\text{h}}$

Magnetic mixers.

Change from 2 to 7 different size categories instantly. No wrenches, no screws, no delays.

Dial in your size range.

Sort from as small as 4mm up to 40mm and larger. The last output catches everything above your chosen maximum.

Adjustable rods.

The output bag supports are adjustable to fit the selected sizes as required.

Match your workflow speed.

Independent motor speed controls let you set the pace that works for your flower variety, your operators, and your production line.
